The Wailuku Democrats nominated seven candidates for the six seats allotted to them. They are T. B. Lyons, H. C. Moosman, A. B. Naono, Thomas Clark, Morris Keohokalele, Doctor Boote and Manuel Ross. All are said to favor the nomination of Colonel McCarthy against L. L. McCandless.

The Republicans are in favor of sending a delegation instructed to vote for Taft as long as his name is before the Chicago convention, while the Democrats favor an uninstructed delegation.

### Kauai Delegates.

LIHUE, March 30.—There was only one slate at the nominating meetings on Kauai, so that the following nominees will be the Kauai delegates:

Nihau, E. K. Kahale; Kekaha, E. A. Knudsen; Waimea, W. O. Crowell; Makaweli, G. F. Rankin; Wailua, R. D. Moler; Koloa, C. H. Wilcox; Lihue, J. H. Coney, A. S. Wilcox, C. A. Rice; Kapaa, J. M. Kaneakua, R. Puukui; Kilauea, L. B. Boreiko; Hanalei, W. F. Sanborn.

## UNION FOR CHRISTIAN EFFORT FROM EXTENSION MOVEMENT

Denominational lines will possibly be erased in Honolulu in the course of the next few months if the plans of the executive committee of the Christian Extension movement do not miscarry.

An announcement hinting at this was made by W. A. Bowen at last night's meeting, and was as follows: "We believe that more can be done by united action on the part of the churches, and in order to formulate a plan for future cooperation the executive committee will meet next Tuesday morning."

"We are glad to announce that the Christian Extension movement does not end with this series of meetings and the clergymen of the churches will confer on the project in view of obtaining united action."

Last night's meeting—the last of the present series—had the fullest attendance of any and regarding both the singing and the sermon was the best meeting of the series.

Bishop Restarick delivered the sermon—one of the strongest and clearest cut arguments for Christianity that has ever been presented to an assembly in Honolulu.

"The King" was the subject taken by the bishop for his discourse. It was fearless and fiery, and the straightforward way in which he illustrated his points held his audience spell-bound for nearly an hour.

"The indifferent are really against the cause of Christ," said the bishop. "There are very few people that are really hostile."

"A man judges others from his own heart and, when he speaks evil about the lives of others, it is very likely that he doesn't believe in God. It is sin that leads to scoffing at goodness."

"Those principles for which Christ stood are the only ones upon which an individual or a nation can be strong. Civilization takes a new outlook and is raised up by this King. There is no place where love and righteousness does exist without Christianity."

"Views on Christianity have changed but that does not change the fact of the Supreme Being's existence. It only enlightens and gives a more wonderful God."

Eighty-nine boys handed in cards at the boys' meeting in the afternoon, signifying their desire to unite

with some church. Two hundred and fifty attended the meeting.

Paul Super addressed the men's mass meeting upon "The Call of Christ." There were several hundred men in attendance and the meeting was in every way a success. Ed Towse also spoke.

## MUSICAL STUNT FOR THE CLERK

If the clerk of Judge Robinson's court is in good voice Monday morning he should be able to sing when he calls two cases that are set for trial on that day. The defendants are Sing Song Sun and Lee Kee Kan, both convicted in the district court on the other side of the island of having committed the offense of assault and battery. Each has appealed. Clerk Simonton is laid up with an injured tendon of the leg and can't sing, so it will fall to Bailiff Harrison to do the musical stunt.

The case of E. Myers and Emma Braech, charged with adultery, is also set for trial in Judge Robinson's court Monday.

## MORE DATA ON SAN CARLOS CO.

Under date of March 28, Alfred D. Cooper has issued a very interesting circular letter giving some of the details regarding the organization of the San Carlos Milling Company, not included in the prospectus heretofore issued. The names of the officers and directors, who have agreed to serve until after the company has manufactured and sold its first crop of sugar, are given, and mention is made of a number of people who have subscribed for stock.

The circular also gives extracts on the more important features of the enterprise from the report of George Ross, who went out to the Philippines to investigate the project.

In estimating the profits that the San Carlos Company will make, Mr. Ross figures very conservatively, taking 30 net as the price to be received by the company for its sugar. According to his figures the yearly earnings of the company will range from 31.6 per cent on a 10,000-ton crop to 54 per cent on a 15,000-ton crop.

That there has been a good demand for the shares is shown by the fact that over \$300,000, or three-fourths of the company's stock, has been definitely subscribed for and nearly \$50,000 more taken under option. This means that there is only in the neighborhood of \$50,000 still left for subscription. The list of subscribers to date is a very representative one.

## ELECTRIC WIRE CAUSES ALARM

An alarm of fire was turned in from Box 13 at 12:25 a. m. today and the call was answered by the fire department with their usual promptitude.

Arrived at Beretania and Alakea streets nothing in the way of a blaze was seen.

Charles F. Jewell was on the spot, however, and he told the firemen that he and A. H. Jungclaus had noticed an electric wire blazing and had turned in an alarm.

The firemen thanked the boys for the exercise which they had afforded them and returned to headquarters.

If you save green stamps you can furnish your house free. Call at the show room, Fort and Beretania St.

## 345 OAHU SHARES SOLD AT AUCTION

Three hundred and forty-five shares of Oahu Sugar Plantation Company stock were sold at auction at noon today at the J. F. Morgan Company auction room, under direction of the directors of the company. The shares comprised the fractional shares resultant from the recent increase of the capital stock.

The shares were sold with option on the part of the high bidder to take any part or all of the block offered. Only 17 shares, and these the first sold, brought 28½, today's selling price on the exchange. All the remainder sold for 28 flat.

The sale was attended by practically all the brokers and many independent investors, and the shares were bid in as follows. J. S. Fleming, 5 at 28½; 50, 200, 2, 5 and 20, at 28; C. W. Spitz, 9 at 28½; Major Wood-en, 3 at 28½; P. H. Burnett, 5 at 28; G. Gorch, 10 at 28; Trent Trust Co., 15 and 3 at 28; Guardian Trust Co., 13 at 28; Island Investment Co., 5 at 28.
